The City is planning the annual fireworks display to celebrate the Fourth of July on **Friday, July 3rd** this year. The Mayor, Council, and City Management based this decision on two main concerns. The first issue is that the company that we normally use has no availability for the 4th of July. The second issue and most concerning is the high cost of having a fireworks show done on the day of the 4th of July with another company that we have never used before. We simply could not justify that kind of expenditure and risk.

The City of Tallapoosa prides itself on having one of the largest fireworks displays in the West Georgia area, and we want to continue that tradition. With these few changes and your helpful contributions, we can continue to provide our residents and visitors with an exceptional fireworks display at a much more reasonable rate of approximately $15,600.00 this year.

You have helped us in the past, and we ask for your help again this year by contributing to our annual fireworks display in the amount of $1,000.00. Contributors who donate $100 or more will be mentioned as sponsors of the event in a media press release. Please make your contributions by June 26, 2026.

Thank you for all the support that you give to the City of Tallapoosa.

Sincerely,

CITY OF TALLAPOOSA
